

B.A.S.S. FEDERATION

OUTSTANDING ACHIEVEMENT AWARDS CHAPTER CATEGORY

CHAPTER AWARD CATEGORIES

CONSERVATION

B.A.S.S. Federation members unite to:

Lobby for or against proposed legislation affecting our environment and the sport of fishing.

Support existing legislation and clean-up efforts in our communities.

Protect our fisheries and our rights as anglers.

Enhance fisheries through habitat placement projects, clean-up projects and stocking projects. And,

Insure the preservation of our environment, our fisheries and our sport for future generations.

COMMUNITY SERVICE

Chapters function as valuable community resources, contributing time, money and energy to promote and support local charities and to improve the lives of those within their own communities. This category should include support for charities or needy organizations through voluntary manpower, donations and fund raising: or conducting seminars, tournaments or other events to promote the sport of fishing while lending a helping hand.

PUBLIC RELATIONS

Positive public image plays a vital role in advancing our sport. The public relations award recognizes the club that effectively utilizes media outlets to promote their activities and goals while improving the reputation of bass anglers as a whole.

SPECIAL EVENT

Each year our clubs host thousands of events with many of them benefitting other organizations within their communities. This award honors the club with the most well-run event such as tournament, fund raiser or other activity which benefits youth or a charitable organization.

YOUTH

Each chapter entering this category places a special emphasis on youth participation in growing our sport. The winning chapter should sponsor events targeted at attracting and involving young people in all aspects of the sport of fishing from conservation efforts to conducting tournaments. The winning chapter must sponsor a junior club.

OUTSTANDING OVERALL JUNIOR CLUB

This award recognizes the most organized, active and involved youth club. The club should engage in activities which teach youth the importance of conservation and community service while continuing to encourage the enjoyment of fishing.

CHAPTER OF THE YEAR

This award recognizes the chapter who has put together a well-rounded program that involves strong conservation, youth and community service programs. The chapter should communicate effectively with news media, state agencies and governmental bodies to maintain positive public relations.
